

I want to be a Galena Girl!

This one-of-a-kind experience combines a week of leadership skills with fun activities such as counselor dress-up, cabin cheers and all camp hide-and-seek. Campers will forge lasting friendships while learning about the Christian virtues of cheerfulness, service, and sincerity to name a few. Girls leave camp with a desire to be a positive force for change.

In addition, the day includes:

- Sports
- Arts & Crafts
- Science & Nature
- Dance

The Staff:

Our staff is composed of adult directors, including a health care provider, as well as high school and college-age counselors. Nearly all of the counselors have first-hand camp experience. These leaders share their ideals, fun-filled spirit and dedication with the campers. The camper to staff ratio is 3 – 1.

Counselor In Training (CIT)

Incoming 9th graders serve as counselors in training during their last year at camp. This role gives the girls a glimpse of the counselor position, but with all the fun of a camper!

CIT's arrive at camp a day early on July 8th.
