

MOUNTAIN VOLUNTEERS

## Calico Mountain Volunteers

Howdy! Thanks for your interest in becoming a member of the "Calico Mountain Volunteers". Our group consists of male and female reenactors who dress in 1880's period clothing., They can be Calico Characters who walk around town and mingle/take pictures with the visitors and/or they can also be Calico Gunfighters, who put on skits for the visitors and also pose for photos. All the reenactors choose their own "character" name (i.e., some reenactor's names: "Crazy Clay", "Hard Luck", "Riccochet", "Little Foot", "Sweetwater Tessa", "Desert Dawg", "Nugget", "Diamondback", "Moonie", ).

Members may also participate in Cowboy Fast Draw held at Calico on certain Saturdays.

We are a volunteer organization keeping the spirit of Calico alive. If interested, please fill out the below application for membership and remember to include a small photograph of yourself in period clothing. (Note- "Gunfighters" will need their own blank-shooting period handgun (preferably .45 LC). We provide the blanks. **Because of safety concerns we do not use crimp load blanks.**

"Characters" who do not want to participate in the gunfight skits, but who wish to carry a gun as part of their costume must carry a non-firing replica period gun.)
