YOUTH GROUP MISSION TRIPS

## BAHAMAS 2021

### OVERVIEW

Our Bahamas camp location will take place in Hope Town on Elbow Cay in Abaco. Hurricane Dorian first made landfall on Elbow Cay as the worst hurricane to hit the Bahamas in recorded history. Elbow Cay has experienced complete devastation with everyone on island being impacted. We will partner with leadership on the island that TEAMeffort has known for over 20 years to help as they continue to recover and rebuild.

### LODGING & FOOD

Groups involved with our summer mission trips to the Bahamas will stay in very basic and primitive housing most likely with no electricity or running water. The only source of water is cistern held rainwater & ocean water. The facility will have mats on the floor and one bathroom per gender. Chapel & meals will take place outside or in a basic building. All meals are included.

### AREA ACTIVITIES

Beach access 50 yards from housing facility for free time.
