

VVCS DRESS CODE

2022-2023

Because children are under parental authority and parents have chosen this school, it is the parents' responsibility to ensure that their children are in appropriate attire on campus, as well as at school activities and special functions. There is evidence that personal appearance and good grooming positively impacts attitude, behavior & academic achievement. Therefore, we feel that dress should be in keeping with Christian principles of proper safety, modesty, cleanliness, work habits, and the glorification of God, not self. In addition, VVCS feels that the uniform approach lends to a much better learning and social atmosphere. The following rules are guidelines and minimum standards for student dress and grooming. If a student is sent to the office for a "dress check" it is assumed that a staff member has found their appearance questionable. Appropriate action will be taken to have the student follow the dress code. The judgment of the Administration is final.
