

## *Undocumented Fairy Lamps (Cont'd)*

U-149

Triple waisted dome of green and white opaque glass resting on shoulder of matching triple stepped lamp cup. 5"h x 3.25"dia. This is a complete version of the marriage shown in R-40.

U-150

Fairy-size Christmas tree formed from 16 rows of crystal satin crimped petals applied to a conical cranberry glass form. The 3" d. base of the cone has two rectangular air vents and sits in a shiny cranberry glass base with six clear green tooled glass feet. 8.75" H.

U-151

Fairy-size acid Burmese glass epergne with two lamps and one large central flower holder. All supported on crystal stems in the center of a quadriform mirror plateau. (Similar to C-145.) Lamp cup holders and posy holder are each marked with the Webb and Clarke acid etched trademark. 10.25"h.

U-152

Webb acid Burmese fairy lamp epergne, 13"d. beveled mirror with floral frame. Brass holder accepts four acid Burmese domes resting upon clear pressed Clarke lamp cups and three ruffle top bud vases with berry prunts. Acid Burmese stem and collar with upturned crimped rim, 16"h. overall.
