

*Undocumented Fairy Lamps (Cont'd)*

U-161

Variation of R-307 with a slightly different Persian flower motif in the brass jewel frames and four smaller jewels between the larger. Note the additional ring at the bottom and the integral candle cup.

U-162

Variation of R-307. Alternating jewels (the blue and amber ones) are molded with a "man in the moon" face. Larger jewels are .875" d. There are four .5" oval jewels between the larger ones. 4" h. x 5.25" w. including handle.

U-163

Two piece spun brass jeweled fairy lamp set with eight .875" jewels. Pattern consists of flowers on a broad lattice design. Jewels form the centers of the flowers. Pierced, handled base. 4.375" h. x 4.875" w. including handle.

U-164

Pyramid-size pink dome, cased opaline, with impressed diamond pattern sitting in a Clarke Cup, resting on a matching diamond impressed trifold base with 6 applied clear petal feet with rigaree applied crystal around the top edge. 4.0"h. x 5.25"w.
