

*Undocumented Fairy Lamps (Cont'd)*

U-181

Vaseline threaded epergne with four clear glass arms, originating from glass receiver attached to mirrored plateau, supporting four cups with flared and ruffled top rims. The matching three pyramid-size domes should be in waisted lamp cups and not the ones shown. Clear knobs on bottom of vaseline cups. Epergne is 11"h. x 10"w.

U-182

Satin Peach Blow fairy-size dome cased cream in clear Clarke lamp cup in matching base with flared and scalloped top rim and point on bottom. Lamp sits in hanging frame attached to chains. Lamp is 7 1/2"h. x 4 1/4"d.

U-183

Pair of Cricklite domes in Cricklite lamp cups. Cups rest in ormolu frame that is attached to crystal standard with ormolu trim and foot. This is a corner piece of the set shown in [Fairy Lamps](#), Appendix G (Pears' Christmas 1899 Annual). See R-731 for matching centerpiece. 20"h. x 15"w.

U-184

Plate in Rainbow DQMP with white overlay Cameo carved with a rose and stem, encircled in antique pale gold velvet frame. Ormolu frame inserts through back plate to hold a matching Rainbow DQMP fairy-size dome in matching base with round knob below. 14"dia. overall.
