

DISTRICT V FUNDRAISING IDEAS

- SI/Central Oahu has a challenge for their membership, hoping to raise about \$20,000; the goal is \$500/member although they know that not everyone can afford that much. They have currently raised \$7,000 with \$9,000 pledged. This is just member donations, or member solicited donations. For every \$50 donated, the member receives a "\$5 coin" to be used at a club auction later in the year. They have also signed up for Amazon Smile which brought in about \$200 last year.
- SI/Marianas - they are doing a grab bag cocktail event for members. It costs \$20 to play. Each member furnishes a gift then there is a drawing for the gifts submitted. The member will pick up her gift along with a bag containing a cocktail. They will then have a Zoom cocktail party to have their drink and open the gifts. They are also planning a virtual run, but it is just an idea for now.
- SI/Waikiki says that like Central Oahu, they are asking members for a flat donation in hopes of raising \$20,000. They are also making Soroptimist logo face masks to use for membership recruitment; people ask what the logo stands for and the club hopes to gain new members.
