## AT ETERNITY'S GATE (12A)

Director: Julian Schnabel. Starring: Willem Dafoe, Rupert Friend, Oscar Isaac. Switzerland/France/Ireland/UK/USA 2018. 111 mins. In English, and French with English subtitles.

A biopic about the last years of the brilliant post-impressionist painter Vincent van Gogh. Early in 1888, Van Gogh (Dafoe) went into self-imposed exile in Arles in the South of France. There, grappling with his own spiritual beliefs and mental illness, he developed his unique, colourful style of painting. His work became filled with bright verdant greens and strange acid blues - quite different from the dark, earnest works that had gone before. But Van Gogh became increasingly troubled, not helped by a tumultuous relationship with the painter Gauguin (Isaac) and the hostility of his neighbours. An extraordinarily intense look at what it is to be an artist, encapsulated in a magnificent, Oscar-nominated performance from Willem Dafoe.

Contains brief moderate threat.

### THE GOONIES (PG)

Director: Richard Donner. Starring: Sean Astin, Josh Brolin, Jeff Cohen, Kerri Green. USA 1985. 111 mins.

Brash and noisy fantasy adventure, produced by Spielberg from his own story in which a gang of American kids discover a pirate map and embark on a suitably perilous search for buried treasure. Spectacular thrills and effects and with an affectionate nod to Warner Brothers swashbucklers of the 40s in the use of Erich Korngold's classic score from *The Sea Hawk*.

## REGAL RECOMMENDS

SAT 18 MAY, 8.15

### A CLOCKWORK ORANGE (18)

Director: Stanley Kubrick. Starring: Malcolm McDowell, Patrick Magee, Michael Bates, Warren Clarke. UK/USA 1971. 136 mins.

In a dystopian future London, a gang of teenagers go on the rampage every night, beating and raping helpless victims. After one of the boys quells an uprising in the gang, they knock him out and leave him for the police to find. He agrees to try 'aversion therapy' to shorten his jail sentence. When he is eventually let out, he hates violence, but the rest of the gang members are still after him. Unforgettable images, startling musical counterpoints, the fascinating language used by the young gang – Kubrick shapes them into a shattering whole in his stylish, controversial take on Anthony Burgess's novel about violence and free will.
